

April Meeting

The meeting started by sharing some photos of the Holcombe Hunt, in preparation for the April Walk. This was followed by the main topic – Ainsworth Methodists, where we learned that the Methodists started in a cottage on Delph Lane before moving into an already built Wesleyan Chapel on Bury Old Road. Later they purchased land opposite for a graveyard and then eventually built a new chapel there, which is where they continue to worship today. The original Chapel was then used as their Sunday School until they built a new hall behind the church. We also saw photos of some of the social events, including walks and plays and two members present at the meeting recognised themselves in a photo of the cast of one of these plays.
