

# Ainsworth Village History Society

## November 2023 meeting

Our November meeting was held at the Unitarian Chapel, where we were treated to a talk and slideshow, given by Steve Horrocks. We learnt a lot about the church building and the history of the congregation. There were about 30 of us there and some continued the meeting in the Duke William, where Steve told us why he was instrumental in ensuring that the Bury Tesco is smaller than planned. It was all to do with making sure that some of the graves, including war graves were treated with respect. It also resulted in the creating of the small remembrance garden, within the car park. Well done Steve!!
